"As a relative newcomer to this area HSP provided me with a great way to make sporting properties immediately available without spending a great deal of time making personal contacts for someplace to go.

My son got his 1st deer on club ground, and we enjoyed quality quail hunting on several occasions. HSP has been a good investment for me, and I will continue to renew my membership." Joe E., Overland Park, KS; MEMBER SINCE 1990

"Since I joined the club, I've gotten more game, and had the farm to myself without having to worry about other members coming in without reservations like other clubs. I'm very happy with the club, and wished I'd joined sooner. Am looking forward to being a member for many years." Mike F., Grandview, MO; MEMBER SINCE 1991

"Thank you for giving me this opportunity. I can truly say that honesty is the best way to conduct any type of business. You and your staff have been very professional every time I have contacted them . . . whether it is for more info on the club or making my first reservations to hunt, everyone has been very receptive of my inquires and acted as total professionals. I am very proud to be a part of this organization . . . We had been looking to try and expand the area we were hunting and not having much success. Then you guys come along and give me exactly what I had been looking for. Thanks for allowing myself, and the referrals I sent to you, to become members of a growing club like HSP." Robert G., Robertsonville, NC; MEMBER SINCE 2005

"First, I couldn't be happier that I've FINALLY located a club that delivers what it promises. The reservation service is first rate and the customer care is unsurpassed. I really enjoyed the personal service up front as I was in the decision cycle- but at no time did I feel pressured to make a decision. All my questions were answered quickly and truthfully. . . I've been so impressed so far that I've been spreading the word on our club to others that may benefit from the first-class service and opportunities that only a club such as ours can provide." Joe G., Ft. Leonard Wood, MO; MEMBER SINCE 2005

"The reason I joined HSP was for the flexibility of having new places to hunt for waterfowl and upland birds . . . it's hard to find any huntable populations of quail. With a membership in HSP I can go west of here and a couple of counties and hunt native grass with food and water nearby and be very successful . . . I'm also very excited about the waterfowl hunting up by Amsterdam Mo. It will be nice to have a place to go after work in the evenings." Brad H., Fort Scott, KS; MEMBER SINCE 2005

"The best thing about our hunts, beyond spending time together, was the confidence that no one else would be hunting that same property on the same day as our hunt. That is very important to me as a dad considering all the different people out there with guns . . . it is great to be associated with an organization that is so closely aligned with one's own values and beliefs. Thanks again for all the great help and support. Tyler and I look forward to a long and rewarding relationship with the club." Lynn G., O'Fallon, MO; MEMBER SINCE 2005
